

MISS TAMMI SAVOY

PHOTOS BY ANA J.

Miss Tammi Savoy is a vintage-loving pinup who is a perfect example of beauty and class. There's so much more to this beautiful doll than a pretty picture. Miss Tammi Savoy can be found on stage, microphone in hand singing her heart out. Don't take my word for it. Follow Miss Savoy to find out where she's performing and be ready to have the music and her voice fill your soul.
